

Splat Cat

Fire Proofing - Drywall - Dash - Grout

*shown with optional hopper frame and screen

The Splat Cat is a tough, versatile 3-Speed transmission machine designed for light to medium use, perfect for occasional spray jobs or as an ideal backup machine. It is equipped with a 2L3 rotor stator pump, an electric controlled plegun, and an electric start engine. The Splat Cat can pump drywall texture, fire proofing, sand finish, dash/stucco, acoustic, and many other viscous and abrasive materials. On the Splat Cat, the pump speed is tied directly to the engine RPM.

Splat Cat Specifications

8.5 HP Kohler Engine
QTS3 Quincy Air Compressor
2L3 Rotor-Stator Pump
3-Speed Transmission
40 gal. Hopper
Dimensions: L 67" x W 31" x H 40"

Options:

12 HP Kohler Engine
